## MERITORIOUS SERVICE CROSS     (MSC)

The Meritorious Service Cross was instituted on 11 June 1984 for the performance of a military deed or a military activity in an outstandingly professional manner of such a rare high standard that it brings considerable benefit to, or reflects great credit on the Canadian Forces. It can be awarded to all ranks and may be awarded posthumously. While not designed specifically as a bravery award, the first awards of this medal reflect a high degree of diplomacy and bravery.

The medal is a Greek cross of silver, ends splayed and convexed, ensigned with the Royal Crown. The Cross is 1-½ inches across and between the arms of the Cross is laurel wreath. In the centre of the cross is a maple leaf within a circle. The ribbon is 1 ½ inches wide, bright blue with two white stripes ¼ inches wide positioned 1/8 inch from each edge. A plain silver bar with a maple leaf in the centre can be awarded for a subsequent action deserving of this medal. The recipient may use the post nominal letters MSC.

On 6 June 1991, a Civil division was added to the MSC (Military). The Civil Cross is identical to the Military Cross but the ribbon has a 1cm central white stripe added. The Civil Cross is awarded to any person (Canadian or non-Canadian) for the performance of a deed or activity in an outstandingly professional manner or of an uncommonly high standard that brings considerable benefit or great honour to Canada.

The MSC is worn after the Star of Courage.

## MERITORIOUS SERVICE MEDAL     (MSM)

The Meritorious Service Medal was instituted in 1991 with a military and civil division.

The military MSM is awarded for the performance of a military deed or a military activity in a highly professional manner of a very high standard that it brings benefit to, or honour to the Canadian Forces. It can be awarded to all ranks and may be awarded posthumously. The civil MSM is awarded for the performance of a deed or activity in a highly professional manner of a very high standard that brings benefit or honour to Canada.

The Medal is a silver medal, circular in shape and ensigned with the Royal Crown. On the obverse is the design of the cross. On the reverse is the Royal Cypher and within a double circle the words "MERITORIOUS SERVICE MERITOIRE." A plain silver bar with a maple leaf in the centre is awarded for subsequent awards of the medal. The Ribbon (military) is bright blue with two 6mm wide white stripes, having a blue stripe 1mm wide in its centre, centered on the outer third of each side of the ribbon. The civil MSM ribbon has a 1mm central white stripe but otherwise is similar to the military MSM ribbon.

The MSM is worn after the Medal of Bravery.

**Lieutenant-Colonel (then Major) Kevin Reinhold MORTON, OMM MSM CD**

Hillier created a number of CDS Action Teams (CAT) in the summer of 2005. As part of the "Capability" CAT, a special team consisting of (then) Lieutenant-Colonel Mike Day and (then) Majors Mike Rouleau and **Kevin Morton** focused on the SOF component. Specifically, they established the conceptual underpinnings for the Command and Control, Force Generation and Force Employment of CANSOFCOM (and by extension its units). The team developed a series of four to five one-page briefing notes on the key SOF issues that they presented direct to the CDS. These informative briefs became the real driver behind the CANSOFCOM concept. By the end of the process, according to the SOF CAT members, "The CDS was adamant that the opportunity cost to the CAF of creating CANSOFCOM was justifiable under the premise that integrated SOF effects could be brought to bear." Lieutenant-General Day recalled.

**Lieutenant-Colonel Andrew L. BROWN, MSM, CD, PhD**

Lieutenant-Colonel Brown is an Army Intelligence Officer. He joined the Canadian Armed Forces in 1988, as a non-commissioned member in the infantry. He later transferred to the Intelligence Branch and entered the Royal Military College as an officer cadet (in Otter Squadron) to complete his undergraduate studies. After commissioning, he served in various capacities as an Intelligence Officer at the tactical, operational, and strategic levels.

Lieutenant-Colonel Brown is a graduate of the Canadian Army Command and Staff College and the Joint Command and Staff Programme (with a Masters of Defence Studies) at the Canadian Forces College. His operational deployments include tours in Somalia, Rwanda, Bosnia, and Afghanistan.

**Master Warrant Officer Andy Bonvie's** citation was declassified and published in the 2017 Honours and Recognition book of members of the Canadian Armed Forces. The date for the actions was 2010 so that 11/03/11, 27/07/11 or 07/12/11 Canada Gazette dates would most likely be one of the CG entries with no names or rank for the Canadian Special Operations Force. The most likely date is the 11/03/11 date. On 26 April 2018, he became the RSM of the Canadian Special Operations Force under CANSOFCOM.

**Major Alastair James Neil Luft's** citation was declassified and published in the 2017 Honours and Recognition book of members of the Canadian Armed Forces. There was no date in his citation but it could well be linked to WO Bonvie's 2010 date and thus the most likely date is the 11/03/11 Canada Gazette.

**Sergeant Shaun Gary Burdeyny's** citation was declassified and published in the 2017 Honours and Recognition book of members of the Canadian Armed Forces. The date in the citation, 02 April 2011, would link it to the Name Not Gazetted entry in the 27 July 2011 Government House note.

"On 11 March 2011, His Excellency the Right Honourable David Johnston, Governor General and Commander-in-Chief of Canada, announces the awarding of **three Stars of Military Valour and two Medals of Military Valour**, as well as **one Meritorious Service Cross, three Meritorious Service Medals and one Mention in Dispatches**, to members of the Canadian Special Operations Forces Command (CANSOFCOM).

These members received their decorations today during a ceremony at Rideau Hall in the presence of the Chief of the Defence Staff. They were recognized for devotion and acts of valour in the presence of the enemy and for military deeds performed in a highly professional manner. For security and operational reasons, recipients' names and citations are not released."
