MERITORIOUS SERVICE CROSS (MSC)

The Meritorious Service Cross was instituted on 11 June 1984 for the performance of a military deed or a military activity in an outstandingly professional manner of such a rare high standard that it brings considerable benefit to, or reflects great credit on the Canadian Forces. It can be awarded to all ranks and may be awarded posthumously. While not designed specifically as a bravery award, the first awards of this medal reflect a high degree of diplomacy and bravery.

The medal is a Greek cross of silver, ends splayed and convexed, ensigned with the Royal Crown. The Cross is 1-½ inches across and between the arms of the Cross is laurel wreath. In the centre of the cross is a maple leaf within a circle. The ribbon is 1 ½ inches wide, bright blue with two white stripes ¼ inches wide positioned 1/8 inch from each edge. A plain silver bar with a maple leaf in the centre can be awarded for a subsequent action deserving of this medal. The recipient may use the post nominal letters MSC.

On 6 June 1991, a Civil division was added to the MSC (Military). The Civil Cross is identical to the Military Cross but the ribbon has a 1cm central white stripe added. The Civil Cross is awarded to any person (Canadian or non-Canadian) for the performance of a deed or activity in an outstandingly professional manner or of an uncommonly high standard that brings considerable benefit or great honour to Canada.

The MSC is worn after the Star of Courage.

MERITORIOUS SERVICE MEDAL (MSM)

The Meritorious Service Medal was instituted in 1991 with a military and civil division.

The military MSM is awarded for the performance of a military deed or a military activity in a highly professional manner of a very high standard that it brings benefit to, or honour to the Canadian Forces. It can be awarded to all ranks and may be awarded posthumously. The civil MSM is awarded for the performance of a deed or activity in a highly professional manner of a very high standard that brings benefit or honour to Canada.

The Medal is a silver medal, circular in shape and ensigned with the Royal Crown. On the obverse is the design of the cross. On the reverse is the Royal Cypher and within a double circle the works "MERITORIOUS SERVICE MERITOIRE." A plain silver bar with a maple leaf in the centre is awarded for subsequent awards of the medal. The Ribbon (military) is bright blue with two 6mm wide white stripes, having a blue stripe 1mm wide in its centre, centered on the outer third of each side of the ribbon. The civil MSM ribbon has a 1mm central white stripe but otherwise is similar to the military MSM ribbon.

The MSM is worn after the Medal of Bravery.

Lieutenant-Colonel (then Major) Kevin Reinhold MORTON, OMM MSM CD

Hillier created a number of CDS Action Teams (CAT) in the summer of 2005. As part of the "Capability" CAT, a special team consisting of (then) Lieutenant-Colonel Mike Day and (then) Majors Mike Rouleau and **Kevin Morton** focused on the SOF component. Specifically, they established the conceptual underpinnings for the Command and Control, Force Generation and Force Employment of CANSOFCOM (and by extension its units). The team developed a series of four to five one-page briefing notes on the key SOF issues that they presented direct to the CDS. These informative briefs became the real driver behind the CANSOFCOM concept. By the end of the process, according to the SOF CAT members, "The CDS was adamant that the opportunity cost to the CAF of creating CANSOFCOM was justifiable under the premise that integrated SOF effects could be brought to bear." Lieutenant-General Day recalled.

Lieutenant-Colonel Andrew L. BROWN, MSM, CD, PhD

Lieutenant-Colonel Brown is an Army Intelligence Officer. He joined the Canadian Armed Forces in 1988, as a non-commissioned member in the infantry. He served in the Royal Canadian Regiment and 3 Commando, the Canadian Airborne Regiment, and rose to the rank of sergeant. He later transferred to the Intelligence Branch and entered the Royal Military College as an officer cadet (in Otter Squadron) to complete his undergraduate studies. After commissioning, he served in various capacities as an Intelligence Officer at the tactical, operational, and strategic levels.

BRISSETTE, Daniel ('Dan') Joseph Laurendan

These are the known names of those that were not gazetted. They are CWO John G. Graham, MSM, CD, RSM of JTF in Afghanistan, CWO Dan Brissette; LCol Steven Hunter, (July 2014), CO of the Canadian Special Operations Regiment (CSOR) at Petawawa, CWO Ambrose Penton, RSM of the CCTM-Afghanistan (* who is the one MSM not named in the CG of 20/12/14 and LCol Steve Boivin, OMM, MSC, MSM, CD.

Master Warrant Officer Andy Bonvie's citation was declassified and published in the 2017 Honours and Recognition book of members of the Canadian Armed Forces. The date for the actions was 2010 so that 11/03/11, 27/07/11 or 07/12/11 Canada Gazette dates would most likely be one of the CG entries with no names or rank for the Canadian Special Operations Force. The most likely date is the 11/03/11 date. On 26 April 2018, he became the RSM of the Canadian Special Operations Force under CANSOFCON.

Major Alastair James Neil Luft's citation was declassified and published in the 2017 Honours and Recognition book of members of the Canadian Armed Forces. There was no date in his citation but it could well be linked to WO Bonvie's 2010 date and thus the most likely date is the 11/03/11 Canada Gazette.

Sergeant Shaun Gary Burdeyny's citation was declassified and published in the 2017 Honours and Recognition book of members of the Canadian Armed Forces. The date in the citation, 02 April 2011, would link it to the Name Not Gazetted entry in the 27 July 2011 Government House note.
