## ORDER OF NEW BRUNSWICK (ONB)

### TERMS

To recognize individuals who have demonstrated excellence and achievement and who have made outstanding contributions to the social, cultural, or economic well-being of New Brunswick and its residents. The Lieutenant-Governor is the Chancellor of the Order by virtue of his or her office. A member of the Order is entitled to wear the insignia of the Order as a decoration and to use the initials **O.N.B.** after his or her name.

Canadian citizens who are current or former long-term residents of New Brunswick are eligible to be nominated for and to receive the Order. Members of the Legislative Assembly, the House of Commons or the Senate and judges of any court are not eligible while holding office. The Order may be conferred posthumously if the person dies after his or her name is submitted by the council to the Executive Council and in any year, in exceptional circumstances, one individual may be nominated after his or her death.

Selection is made by a Council appointed by the Executive Committee for a three-year term and includes one of either the Chief Justice of New Brunswick or the Chief Justice of The Court of Queen's Bench of New Brunswick; the Clerk of the Executive Council; and one of the Presidents of The University of New Brunswick, Mount Allison, St. Thomas, or the University de Moncton; plus, three to five other residents of New Brunswick.

In 2023, the legislature changed the number of recipients per year. From **2023 on, not more than five individuals** be submitted to the Executive Council each year for consideration as members of the Order of New Brunswick as opposed to the current 10. The changes also allowed the Clerk of the Executive Council to name a designate to participate in his/her place on the advisory council; and allowed the secretary, at the direction of the council, to establish specific criteria and guidelines to support the selection process of new members under extraordinary circumstances so that individuals who have contributed to the province in exceptional situations, such as during the COVID-19 pandemic, can be recognized by this honour.

### DATE

The bill announcing this Order came into effect on 1 January 2001 and first investiture was in late fall 2002.

### DESCRIPTION

The insignia is a stylized 5-petal, purple Violet, the provincial Floral Emblem, bearing the shield of New Brunswick surmounted by a crown on the obverse. Mr. Robert Pichette of Moncton worked with the Chief Herald of Canada, Mr. Robert Watt, to design the insignia.

### RIBBON

Gold with red edges and a blue centre stripe.

(A) LCol Roch Lanteigne returned his MMM to the Governor General as per the CG of 28 March 2022.

While he is wearing the Order of St. John in this photo, he is not listed on the role of the Order. This may be why he returned his MMM?
