THE ORDER of NEWFOUNDLAND and LABRADOR (ONL)

ORDER OF NEWFOUNDLAND AND LABRADOR
ONL

TERMS

The object of the Order is **to recognize individuals who have demonstrated excellence and achievement in any field of endeavour benefiting in an outstanding manner the province and its residents.**

The Lieutenant Governor, by virtue of his or her office, is a member of the Order (for life) and is the Chancellor of the Order. A member of the Order may use the post-nominal initials **O.N.L.**

Canadian citizens who are current or former long-term residents of the province are eligible to be nominated and to receive the Order. Members of the House of Assembly or the Legislative Assembly of a province, or members of the Senate or the House of Commons of Canada, and judges of any court may not be made members while in office. The Order shall **not** be conferred posthumously except in the case of a nominee who dies after being recommended by the Council.

DESCRIPTION
A stylized pitcher plant (sarracenia purpurea Linnaeus, Newfoundland and Labrador's floral emblem. The green petals are of the provincial mineral, Labradorite, edged in gold.

(The pitcher plant is found primarily in bogs and marshland throughout the province. It has a large wine-red flower with a red and gold centre, and hollow pitcher-shaped leaves are attached to the base of the stem. An insectivorous plant, it feeds off insects that become trapped inside when the leaves fill with water.)

OBVERSE
At its centre is the Arms of the Province of Newfoundland and Labrador, granted by King Charles I in January 1638, in white, red and gold enamels, surmounted by the Crown.

MOUNTING
The ribbon, which is worn around the neck, passes through a large oval ring; at the top of the badge is a small gold ring, and the two are linked by a third ring.

RIBBON
The 38 mm wide ribbon has green (7 mm) edges, and a narrow blue centre strip (4 mm), on either side of which is a further white stripe (10 mm) with a gold stripe (1 mm) in the centre of the white

Announced 17 December 2025 – Investiture 27 January 2026

Major Michael James Pretty, ONL, CD

Major Michael Pretty was commissioned as an Infantry Officer in 1983 and served across Canada, Europe, and in several UN missions, including Cyprus, Bosnia, and Ukraine. He received a Regimental Commendation for his work in Bosnia in 1994 and was decorated by the US Army for his service in Ukraine in 2003. Beyond his military career, he founded Pretty SAFE Enterprises, training thousands in SCUBA, first aid, and survival skills. An avid historian, he established the Trail of the Caribou Research Group to preserve the stories of Newfoundlanders in wartime. Michael's great uncle, Private John Pretty (Regimental Number 2276), is still missing in action from the Battle of Monchy Le Preux in 1917, while John's brother Edmond who served in the Forestry Corps rests in a Commonwealth War Grave in Chapel Arm.
