

## The Order Yukon OY

### ORDER of YUKON (OY)

10 January 2025

#### Terms

The Order will be the highest honour in Yukon. It will recognize individuals who make exceptional contributions to Yukon and recognizes excellence, achievement and contributions to the social, cultural and economic well-being of Yukoners. The need to include contributions to First Nations cultural and heritage endeavours was noted in creating the award.

The Commissioner of the Yukon is the Chancellor of the Order and will be advised by a Yukon Advisory Council for the purpose of recommending membership in the Order and recommending the termination of membership in the Order. There will be a Secretary of the Order for the purpose of supporting the work of the chancellor.

There are no posthumous awards and Members of Parliament, MLAs, First Nations Chiefs and Councillors, Mayors and Councillor, and judges are not eligible while they are in office.

The members of the Advisory Council are set out in the Order of Yukon Act.

The Chief Justice is the Chair. Other members are the Speaker of the Yukon Legislative Assembly, President of the Yukon College, and the Cabinet Secretary.

The Council of Yukon First Nations will recommend a member and the Commissioner, as the Chancellor of the Order, will choose two other members.

The Advisory Council draws on people from significant social institutions in Yukon and from members of the public and First Nations community. This make-up provides for a broad view of who are deserving Yukoners.

#### DESCRIPTION
